

AetherX Source Deck®: Body Set

User's Manual & Energetic Application Guide

Introduction

The AetherX **Source Deck®: Body Set** is a 28-card energetic system designed to support bodily coherence, vitality, and energetic harmony. Each card acts as a visual-frequency transmitter, working through layered energetic principles rather than physical manipulation.

The deck is not intended to diagnose, treat, or replace medical care. Instead, it functions as a **coherence and restoration tool**, supporting the body's natural intelligence by introducing ordered, living frequencies into the human field. The AetherX Source Deck aids with improving your body's vitality, and encouraging expanded emotional and mental clarity states as your body moves into natural rest to encourage natural body recovery.

Energetic Architecture of the Cards

Each Source Deck card is embedded with multiple overlapping energetic frameworks that work simultaneously.

Transcendental Frequency Systems

Each card operates through four primary energetic modalities:

- **Scalar Wave Frequency**
Supports non-linear energy transmission, coherence, and field stabilization beyond time-distance constraints.

- **Kundalini Healing Power**
Assists in balancing life force energy throughout the body, supporting vertical alignment and vitality.
 - **Sekhmet Healing Power**
Works with precision-based energetic clearing, helping release stagnant or congested energy patterns.
 - **Lattice Work Healing Power**
Supports deep cellular and structural energetic cleansing, encouraging orderly reorganization at the micro level.
-

Color Ray Vibrational Spectrum

Each card also carries harmonized color-ray frequencies that work across the body-field:

- Red Ray Vibration
- Orange Ray Vibration
- Yellow Ray Vibration
- Green Ray Vibration
- Blue Ray Vibration
- Indigo Ray Vibration
- Violet Ray Vibration
- Ultraviolet Ray Vibration
- Infrared Ray Vibration
- Horizontal Negative Green Ray Vibration
- White Ray Vibration

These rays function collectively to balance grounding, emotional flow, cognition, restoration, communication, intuition, transcendence, and total-field integration.

Planetary Benefic Frequencies

Each card is aligned with **benefic expressions** of planetary vibrational intelligence:

- Benefic Mercury
- Benefic Venus
- Benefic Moon
- Benefic Mars
- Benefic Jupiter
- Benefic Saturn

- Benefic Uranus
- Benefic Neptune
- Benefic Pluto

These frequencies support timing, flow, harmony, strength, expansion, structure, awakening, subtle perception, and deep transformation—without invoking challenging or disruptive aspects.

Earth & Solar Harmonics

- **Earth Schumann Resonance (7.83 Hz)**
Grounds the body-field into natural planetary rhythm and nervous system coherence.
 - **Solar Frequency (432 Hz)**
Supports harmonic alignment, cellular resonance, and organic order.
-

Preparing Your Cards

You may use the Source Deck cards in **printed or digital form**.

Printing Recommendations

- Use **photo paper** or **card stock** for best clarity and durability.
- Standard home printers are sufficient.

Digital Use

- Cards may be displayed on phones, tablets, or computers.
 - Digital presentation is energetically effective.
 - When placing a phone on the body, enable a **blue light filter** or night mode if available.
-

Four Methods of Using the Source Deck

1. Gaze Method

- Gently gaze at the card for **at least 60 seconds**.

- Allow your awareness to soften.
- This naturally encourages an **Alpha brainwave state**, enhancing frequency reception.

Best used for:

Mental clarity, emotional regulation, intuitive alignment.

2. Body Placement Method

- Place a printed card or device directly over the corresponding body area.
- Hold in place for **at least 60 seconds**.

Best used for:

Localized energetic support and bodily coherence.

3. Water Charging Method

- Lean the card or device against a glass of water for **60 seconds**.
- Slowly sip the water afterward.

Best used for:

System-wide integration and gentle daily use.

4. Remote Transmission Method

- Place a photo of yourself or another person on the card or screen.
- Allow the transmission to occur passively.

Best used for:

Remote support, distance work, or assisting others.
