ACTIVATION INSTRUCTIONS FOR APPAREL

When you put on your apparel, you have several options for resonant activation as each shirt is imbued with rejuvenation frequencies.

ACTIVATION:

To activate your shirt, you start with mentally saying the theme of your shirt (Activator, Rejuvenator, Wayshower, Detoxifier, Charger, Strengthener) and then follow by saying “TURN HEALING CODES ON.”

Example: “Activator, turn healing codes on. Apply.”

At anytime you wish to deactivate the frequencies within the shirt, you would mentally say:

Example: “Activator, turn healing codes off. Apply.”

AMPLIFICATION:

To amplify the resonant frequencies within your shirt, setting them to a desired percentage from 0%-100%, you would mentally say:

Example: “Detoxifier, Increase your amplification by 50%. Apply.”

You can also decrease the amplification with the same phrase and your desired percentage. Place the amplification at 0% deactivates the amplification of the shirt.
